# **ESSENTIALS POWERSOL**

## **CITRUS BASED CLEANER DEGREASER**

- \* FREE FROM PETROLEUM SOLVENTS AND GLYCOL ETHERS
- \* REMOVES GREASE, OILS AND GRIME QUICKLY

Environmentally friendly ESSENTIALS POWERSOL is the very latest breakthrough in cleaning technology.

Blending naturally derived citrus solvent with specialised surfactants and sodium citrate, ESSENTIALS POWERSOL is rapidly biodegradable to EEC standards.

ESSENTIALS POWERSOL gives powerful cleaning performance yet is safe for the user and the environment.

Fast acting formula removes dirt, grime, diesel oil, food oil, fats, grease, tobacco film, body fat, engineering oil etc. quickly and safely.

The cleaner for floors, walls, plant equipment, machinery, dip tanks, vehicle valeting, etc.

Ideal boat and vessel cleaner. Can be diluted with fresh and salt water. For decks, fishrooms, heavily soiled paintwork or light rust. The ideal bilge wash.

Use undiluted if required or may be diluted with up to 100 parts of water for extreme economy use, Dilute with either hot or cold, either fresh or salt water.

Agitate the surface and wipe or rinse away.
